I guess we have to start thinking about next year. I for one suggest abandoning ESPN...

Hey all,

So I've been meaning to send this out for a while. Congratulations to Don, the 2006 Goofdellas champion! Woوو, a new winner!

Winner: Don - 92 (by a long shot)

2nd Place: Mark - 82 (beats out The Spot who had 79.5)

Most Improved: Peter +12 (using his pitching only strategy, he eeked out a win going on the LAST DAY of the season...)

11 out of 12 people were in for betting. So that's \$220 to Don for first place, \$55 to me for 2nd, \$55 to Peter for Most Improved. And 10 people have paid. Monsieur Lemieux needs to have his knees broken by my friends in Little Italy if he doesn't PAY UP now. Quit your NY slacking Scott and pay up suckah! Post haste. Even Meier has paid!

Peter, I'll give you a check at soccer. Don, I can swing by your house sometime or send you a check.

Dolph's historic collapse - 82.5 to 70 over the last week of the season. Amazing!

Both Aaron and Erik were ahead of Peter for Most Improved going into the last day of the season. A win by Jake Woods put him over the top. Dumping all his batters for pitchers worked, barely.

Woe is me -- Wowiee Zowiee staying mired in 2nd place thanks to injuries to Manny, Wily Mo and weird Big Pappi heartbeat issues. Santana couldn't carry the weight himself.

Worst keepers - Jorge Cantu? Justin Duchscherer seemed like the worst keeper going into the draft but he was 10x better than Matt Clement this year.

Best late round picks - not surprising probably closers. Otsuka in the 3rd to last, Putz in the 2nd to last....

#### **Most Improved Standings:**

Peter +12

Erik +11.5

Aaron +10.5

John +8.5

David +7

Jason 0 (mr. consistent)

Andrew -4.5

Rob -6

Don -6

Mark -7.5

Jeff -10

Scott -15.5

#### **Winners**

Had some time to kill the other day and went through my old baseball emails. Here's the unabridged history of our league (possibly accurate):

Three year keeper league:

2006 - 1. Don 2. Mark MI. Peter

2005 - 1. Mark 2. Rob MI. John

2004 - 1. Mark 2. Scott MI. Aaron

Previous years:

2003 - 1. David 2. Scott MI. Don (auction at UW - epic. As I recall we were trying to do the remote draft via a chatroom on some random subject and people kept joining it, trying to understand what we were doing, then telling us to "fuck off" and signing out)

2002 - 1. Andrew 2. Mark MI. Andrew (auction at Microsoft)

2001 - 1. Scott 2. Andrew MI. David (auction at RealNetworks)

2000 - 1. Andy

1999 - 1. Mark (Kyle Stutesman gave up and dumped all his good players 2/3 through the season "just to see what would happen". This was later referred to by Rob as the "White trash incident")

To my knowledge, six of us have been in all 8 (!) years - Andrew, David, John, Mark, Rob, Scott.

Of course, check out peter's site for all sorts of nuggets about Goofdellas:

Oh and the Cardinals just won the World Series. Tigers can't field a ball cleanly to save their lives...
